

Ranchito Robinson TEXtreme Field Target Rules

Match Director is Ron Robinson, 254-253-1239, manicompressive@yahoo.com

Match location is Ranchito Robinson, 5636 FM 56, Clifton, Tx. 76634.

Entering a match signifies the shooter agrees to abide by these rules-

All lead diablo pellets only; no slugs allowed. Maximum caliber is .30,
maximum muzzle energy 100 foot pounds.

Maximum scope magnification is 32X. If the scope has no 32X factory marking,
magnification must be set no higher than the next lower factory marking.

Minimum kill-zone size is 1". Minimum target distance is no less than 20 yards.

Maximum target kill-zone size is 4". Maximum target distance is no more than
100 yards. Kill zones may be of various shapes. Target distances are provided.

Rangefinders and anemometers are allowed.

Mono-pods, bi-pods, and shooting sticks are allowed. The legs must rest on the
ground, but may not be driven into the ground. Mono-pods, bi-pods, and
shooting sticks cannot be attached to the stock, and must fall free when the rifle
is picked up. No tri-pods are allowed.

Bum bags and shooting seats are allowed, but no arm rests or back rests are
allowed on shooting seats. Shooting seats may not be used to rest the rifle. No
other stabilizing accessories or movement-restricting clothing are allowed (such
as rifle slings, shooting gloves, and shooting vests or jackets).

Maximum fore-end depth allowed is 6", as measured from the center of the
barrel to the bottom of the fore-end.

Adjustable stock components may not be adjusted during a match. No butt-
hooks or thigh rests allowed. Adjustable wings on butt-pads cannot exceed 30°. Shooting lanes feature two targets per lane. Shooters shoot targets in near to far order. Except for announced blow-off shots heard by the scorer, all shots count on the score-card. Only the Match Director has authority to make exceptions. Scoring format is 'X' for shots that fell the target, and 'O' for shots that do not fell the target. Upon completing the course of fire, scorers will add all Xs to determine competitors' scores, then sign the score-cards. Competitors will then examine their score-cards for accuracy; and when satisfied, also sign their score-cards. Signing your scorecard signifies your agreement that the score on your card is correct, and you surrender further recourse in scoring disputes.

Tie-breakers are (in order) - 1) Shoot-off, if agreed by tied competitors. 2) Most cleaned lanes. 3) High standing lane score. 4) Coin flip. 5) Pissin' match.
